Bowne Happenings

- ◆ We are happy to have the Him family with us this morning along with several other helpers from SMAT to convey to us and especially to our children the message of the need for missionaries in this world. They will be leading a very interactive program for our younger set this morning during both service times. Prepare for some confusion as there will be some coming and going, unusual classroom settings, noise, but it is all good in that it is ministering a very important message. Bro. Heap Him, a native of Cambodia, will be sharing with us during the second service about his early life and what has led him and his family to do the work of Lina's hope.
- ◆ Next Sunday the Greg Dole family will reporting in regarding their first term of service in PNG with Missionary Aviation Fellowship. They will be arriving in our area on Wednesday and there are still a few spots available if you would like to have some one-on-one time with them. See Bianca to add your time to the schedule.
- ◆ We certainly invite all of you to join us for a Fellowship Meal immediately following the service. We will need all hands on deck to set up since we are not able to set things up early because of the activities going on in the basement this morning.
- ◆ Kid's Bible Club is coming up really fast! Plans are well underway but if you would like to be involved and have not yet been asked, please come to a Club meeting this afternoon, right after the meal and find out what you can do to make this ministry successful. Dates this year are June 26 - 30, Monday through Friday evening, 6:30 - 8:00.
- ◆ Steve & April Swartz have a ministry trip to Africa planned for June 13 - 28. And before that they will be helping with a conference at Lauvers Mennonite Church in PA which is Marie Vredevelt's home church. Let's hold them up in prayer.
- ◆ The Gingerich family arrived safely in Bolivia and are enjoying their time there with friends.
